

Payment Determination: Offers Submitted: Provider Offer: \$400.00 Plan Offer: \$400.00 Determination Made by IDR Entity: The IDR entity determines the payment amount based on submitted offers and additional credible information. Rationale for Determination: Factors Considered:

- Qualifying Payment Amount (QPA)
- Market share
- Complexity and acuity of provided services
- Previous reimbursement rates
- Negotiation history Additional Credible Information Cited:
- Provider's historical success rate in cardiac procedures
- Evidence of increased costs for providing cardiac services
- Documentation of negotiation efforts between the provider and the plan

Final Decision: Selected Payment Amount: \$400.00 Explanation of Decision: Both parties submitted a final offer of \$400.00. Considering the provider's market share, the complexity of the services provided, previous reimbursement rates, increasing costs, and consistent negotiation attempts further supported the decision. Compliance Statement: The decision complies with the No Surprises Act regulations, ensuring fair and equitable compensation for essential medical services while upholding legislative standards.

Administrative Details: Administrative Fees Paid: Both parties have agreed to pay the administrative fees associated with the IDR process. Certified IDR Entity Fee Details: Fees associated with the IDR entity are covered by both the provider and the plan, adhering to the operational standards of the No Surprises Act. Recordkeeping Statement: All records relevant to this case will be maintained as required by law to support audit and compliance processes.
