

\$2,009.99 \$700.10 The payment award goes to the provider, Oceanview Emergency Medical Center, amounting to \$2,009.99. Qualifying Payment Amount, initial payment offer and percentage, the market share of the provider, the complexity of the medical case, previous in-network rates, cost of living and operation in the geographic location. Historical Out-of-Network Reimbursement Rate, Provider's enhanced quality outcome measurements, evidence of no successful previous negotiations with said plan. \$2,009.99 The decision to award the payment of \$2,009.99 to the provider is based on the factors met under the No Surprises Act, which includes the high percentage of QPA offered by the provider which seemed reasonable due to the complexity and quality of care provided. Additionally, the lack of successful past negotiations justified a higher remuneration to ensure fair market practices. This decision complies with the guidelines outlined in the No Surprises Act. Both parties have agreed to pay necessary administrative fees as detailed in their respective notice of offers. Fee determined as per standard IDR entity procedures. All records related to this arbitration will be maintained for a period not less than 6 years as required.
