

Provider Offer: \$875.00 Plan Offer: \$567.89 Determination Made by IDR Entity: \$875.00

Factors Considered: Qualifying Payment Amount, service complexity, market share, previous contracting history, provider experience, patient acuity.

Additional Credible Information Cited: No Surprises Act requirements, historical reimbursement rates, increase in operational costs.

Selected Payment Amount: \$875.00

Explanation of Decision: The decision favored the provider's offer due to the high provider experience and the demonstrated patient acuity, which justified a higher rate in the IDR process. The provider's offer also aligns with the necessary adjustment for the incremental increase in operational costs.

Compliance Statement: This decision complies with all applicable regulations under the No Surprises Act.

Administrative Fees Paid: Both parties paid the required fees.

Certified IDR Entity Fee Details: The IDR entity fees were transparently detailed and accounted for in the IDR documentation package.

Recordkeeping Statement: All records are maintained as required by law and adequately documented in accordance with the No Surprises Act guidelines.
